## Int 10H

Video BIOS API. All registers saved on entry and restores on return.

### BIOS Interrupts

| Function            | Description                  | Version |
|---------------------|------------------------------|---------|
| <a href="#">00H</a> | Set Video Mode               | 1+      |
| <a href="#">01H</a> | Set Cursor Shape Size        | 1+      |
| <a href="#">02H</a> | Set Cursor Position          | 1+      |
| <a href="#">03H</a> | Get Current Cursor Position  | 1+      |
| <a href="#">04H</a> |                              | 1+      |
| <a href="#">05H</a> | Set Active Video Page        | 1+      |
| <a href="#">06H</a> | Scroll Screen Area Up        | 1+      |
| <a href="#">07H</a> | Scroll Screen Area Down      | 1+      |
| <a href="#">08H</a> | Get Character Attribute      | 1+      |
| <a href="#">09H</a> | Print Char With Attribute    | 1+      |
| <a href="#">0AH</a> | Print Char                   | 1+      |
| <a href="#">0BH</a> | Set Palette/Color            | 1+      |
| <a href="#">0CH</a> | Draw Pixel                   | 1+      |
| <a href="#">0DH</a> | Get Pixel                    | 1+      |
| <a href="#">0EH</a> | Write char in TTY mode       | 1+      |
| <a href="#">0FH</a> | Get Current Video Mode/State | 1+      |

#### DOS API

|                      |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |
