

Note: Generation 1 osfree.org not here now but links will redirect you to correct place

First generation osFree.org consist of index.html file with frames description, one (later - two) static page and set of pages by topic.

Static pages:

|            |                                              |
|------------|----------------------------------------------|
| index.html | frames description and start page            |
| top.html   | top frame (was added later) with osFree logo |
| menu.html  | navigation frame                             |

Topic pages:

|                 |                                           |
|-----------------|-------------------------------------------|
| start.html      | news page                                 |
| objective.html  | project desctiption page                  |
| developing.html | developers gudelines                      |
| licence.html    | license page (note, file name misspelled) |
| members.html    | list of osFree members                    |
| download.html   | download area                             |
| contact.html    | contact information                       |
